

Presidents Report October 2017

It's hard to believe we're coming to the end of another year, though things aren't slowing down yet.

We will host our two most prominent events before the year is out, being the 2017 CHU SCA (WA) Symposium and the 2017 Park Legal Solutions Strata Community Awards Gala. If you haven't already registered for these exciting events, make sure you do (details under Upcoming Events, below).

On the 5th October we held a very successful Annual General Meeting (AGM) where we achieved a Special Resolution to overhaul our Constitution and change our name to Strata Community Association WA (SCA WA). We will now be working through updating our branding to reflect the name change and our members and sponsors will receive new logos for their own use in due course. For those of you who did not attend the AGM, the name change has been required due to SCA's expansion to now include New Zealand, and other countries that may look to join us in future. This expansion will no doubt present new and exciting opportunities for SCA members and sponsors.

At the AGM, we also welcomed new Board member, Leanne Wahlert. For those of you who don't already know Leanne, she is the WA State Manager of CHU Underwriting Agencies and has over 30 years of experience in the insurance industry. We look forward to Leanne's involvement and know she will be a valuable addition to the Board.

The first Board meeting has been held since the AGM where the office bearers for 2017/18 were confirmed. It is with pleasure that I announce that Ryan Murphy has been appointed as our Vice President, and Paul Keet as Treasurer. Janine Chapman will continue in her role as Secretary for which she has been doing a fantastic job over the past year.

I'd like to take a moment to recognise and thank Marietta Metzger for the hard work that she has put in over the last 2 years as the Vice President, and Ryan Murphy for his time as Treasurer.

Please read on to see the full details of the current Board, as well as the committees and their convenors for 2017/18.

Wishing you all the best in getting ready for the Christmas period, and I look forward to seeing you at the upcoming Symposium and Awards Gala.
