## A True Family Company

---

Perrott Painting is a family owned and operated company, proud of its heritage and reputation in the Western Australian community.

This year, our 100 year anniversary, our focus was on family. We have tradesmen employed by the company who are part of 4 families - fathers and their sons as well as brothers.

It is a real benefit of using Perrott Painting for your painting needs. We are a committed team of people who embrace the Perrott values and take pride in the service we provide to the community.

Recently we sponsored the SCA (WA) *2017 Strata Management Business of the Year (Small)*. We were extremely proud to sponsor this award as it reminded us of our days as small business when starting out in our early years. Since then we have continued to grow our business but, despite the growth we achieved, we continue to maintain the family business values.

At this special time of year we would like to wish you all a very Merry Christmas and a safe and Happy New Year – from our family to yours.
